

Greetings Athens OEFFA Chapter,

The Athens Chapter is sponsoring two slide presentations on Tuesday, January 16, from 7 to 9 PM, at the meeting room of the Athens Public Library at 30 Home Street.

James Wynn of Community Food Initiatives will give a presentation on Self Reliance in South Africa. James worked at an eco-village training center which was developing low-cost strategies to create microclimate, collect and store rainwater and recycle waste into fertilizer and building material for food production and shelter.

Marisa Alcorta of Rural Action will give a presentation on a farming community in Costa Rica which she visited.

Refreshments will be served after the presentations. OEFFA members are asked to bring a refreshment item to share. Hope to see you all there.
